JOHN ACQUAVIVA

[...] My favourite and the stronger one is the pez & plastik. Both sides work very well.  
The label is tight! And i always look forward to your stuff when it is in my new record box!  
Charted #3

ANTHONY PAPPA

Pez & Plastik - "Dance E.P" I like the the track "Don't Dance" on side b.1.  
Good tune and I will plat it out.

AL BRADLEY

I really like the 'Dance' side, very cool & a real good groove. However, it's the 'Don't Dance' side which is really powerful - I love the change in the bassline & the powerful drums, really strong.  
As a track to really keep the floor locked in the groove, 'Don't Dance' is perfect. Wicked stuff all round. More quality, but with a deeper, more solid groove!

STEVE LAWLER

(To KW records ) Your label is the bollocks man!  
God I fucking love house music!!!  
Lovin these two releases! Gonna be massive for me - PEZ & PLASTIK !!!!  
Excellent! Thank you!!!  
Keep em coming.

MURRAY RICHARDSON

KW1003 - One of the strongest releases i've heard so far from the KW stable....  
Charted #5 - Note 8 / 10

GARY LACOSTA

Pez & Plastik - Dance ep : Digging the don't dance track for sure. perfect agression for the dancefloor.  
8/10... Will play out for sure.

FABRICE DE ST REMY

I like the Pez & Plastik ep the better...it's got a nice tracky acid house feel, and would definitely rock my set..."don't dance" is my favourite! I want this!
